**Membership Dues 2024 are due now!**

### Our Mission

The Merrimack Republican Town Committee is here to encourage local participation in representative government. We strive to empower our grassroots volunteers that support our conservative values and principles.

The committee manages the affairs of the town's Republican Party and directs general campaign activities for the town's local, state and national offices. We organize opportunities for the public to meet and interact with party candidates and elected officials. The committee and its members advocate for those candidates that represent the liberties, principles and policies of the town's Republicans.
